

SLOUGH SCORPIONS 8 - 10 HONEY BADGERS

HONEY BADGERS 10 - 3 NOTTINGHAM OUTLAWS

Coventry's Premier Rec Team™ remain unbeaten in their Fifth Anniversary season following back-to-back wins. Saturday night in Coventry delivered an umbilical performance in which the home side pro-created a placenta of chances. After a laboured opening 5 minutes which induced some goals from the Nottingham outfit, the Badgers conceived many of the scoring chances, with Adam Maternity continuing his points streak after signing a new contraction. Paul Brown limited the visiting side to a triplet of goals whilst their frustrated Coach had twins on the bench.

The Honey Badgers are proud to welcome Archie Matteri and Annie and Emily Liddle, pictured, to our family.
