

The Honey Badgers are a rec hockey team playing at the Coventry Skydome Arena.

The club usually trains on Fridays at 23:30. Training is strictly by invitation only and all players must have current valid EIHA registration. Players who arrive without the prior approval of the committee will not be permitted to ice.

We're open to new players of all abilities, male and female, so long as you are age 18 or over. If you are interested in joining us enquire at newplayers@honeybadgers.co.uk.
